Purpose of Disclosure	☐ **To resolve legal and/or custody issues**	☐ **Emergency Contact**	☐ **Continuity of Care**
	☐ **To facilitate medical examination/treatment**	☐ **To acquire third-party reimbursement of services**	☐ **Other:**

I, the undersigned, understand that my records are protected under the federal regulations governing Confidentiality of Alcohol and Drug Abuse Patient Records, 42 C.F.R. Part 2, and the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"), 45 C.F.R. Parts 160 & 164, and cannot be disclosed without my written consent unless otherwise provided for in the regulations. I understand that some of the confidential information I have authorized to be disclosed will be generated and disclosed over the course of my future treatment and after the date, I signed this authorization. By signing this authorization, I authorize future disclosures made in reliance on this consent and understand that it may include disclosures after my discharge from treatment. I understand that this consent is subject to revocation at any time except to the extent that action has been taken in reliance thereon; and **unless earlier revoked shall expire one year from date signed**. I understand that, except when I am receiving research-related treatment or health care solely for the purpose of creating information for disclosure to a third party, I may refuse to sign this authorization and that my refusal to sign will not affect my ability to obtain treatment from Columbia River Mental Health Services. I have read and understand the terms of this authorization. I have had an opportunity to ask questions about the use or disclosure of my health information. Parent/guardian signature required for minors under age of consent. Parent/guardian signature is required for all minors when parent's/guardian's insurance is being billed for services. An authorized representative must sign releases for incompetent and deceased patients.

This notice may accompany a disclosure of information concerning a client in alcohol/drug treatment, made to you with the consent of such client. This information has been disclosed to you from records protected by federal confidentiality rules (42 C.F.R. Parts 2, 160 and 164). The federal rules prohibit you from making any further disclosure of this information unless further disclosure is expressly permitted by the written consent of the person to whom it pertains or as otherwise permitted by 42 C.F.R. Parts 2, 160 and 164. A general authorization for the release of medical or other information is NOT sufficient for this purpose. The federal rules restrict any use of the information to criminally investigate or prosecute any alcohol or drug abuse patient.
